

NEBELHORN TROPHY 2022 | SECOND INFORMATION

Event- and Practice Schedule

Attached is our first draft of the Event- and Practice Schedule of the “Nebelhorn-Trophy 2022” for your information. This schedule is based on the entries after the entry deadline. Changes due to the final number of participants will be published latest upon arrival of the Teams.

The Practice Groups will be composed app. one week before the start of the first practice.

Bus Shuttle between Munich Airport and Oberstdorf and Return

The OC had arranged a shuttle service between Munich Airport and Oberstdorf on Sep. 20th and 21st as well as the return way on Sunday, Sep. 25th, 2022. The departure times are at the moment fixed. If needed additional capacities and departure times might be arranged. Please book your required capacity through

If a train ride to Oberstdorf is preferred, please ask for the famous “Bayern-Ticket”, which is available at the airport (ticket machines or DB Counters). Such a “Bavarian Ticket” is the cheapest way to use the trains - € 26 for one person / € 52 up to 5 persons – and can be used for a group of 5 persons.

Printing Matters on site – Environment

Our goal for the event is to practice the Environment Rules and save e.g. as many paper as possible. Therefore we will use the “Spotify App” for all information, results, etc. Upon accreditation we will make you familiar with the app, the downloading and other valuable information. Furthermore we will use a QR code for similar purposes.

Also the Skating Lounge will offer water and other drinks in containers. Please bring with you your own bottle of drinking units.
